Understanding the costs of your prescriptions

Essential Formulary

Welcome to the SmithRx Essential Formulary. The Essential Formulary is a list of drugs that your doctor may prescribe for you and includes information related to the coverage and cost of these drugs. This list may change over time, so please refer to plan documents or formulary update documents for detailed information about your drug benefit coverage.

The drugs included on the Essential Formulary are organized by categories depending on the type of medical conditions that they are used to treat. Medications are listed as Tier 1 Generic, Tier 2 Preferred Brand, and Tier 3 Non-Preferred Brand. Medications listed as “Specialty Drugs” are used to treat complex medical conditions that require special handling, administration, and member care management. Depending on your pharmacy benefit design, specialty drugs may be part of a specialty benefit with specific coverage and copay requirements that differ from drugs in Tiers 1 – 3. If you do not have a defined specialty benefit, your copay may be based on whether the drug is Generic or Brand, therefore Tier 1 or Tier 3 copays may apply. Please refer to your plan document for detailed information about your Tiers and Copay structures.

Our Pharmacy and Therapeutics Committee (P&T) and Value Assessment Committee (VAC) dedicates many hours to the clinical analysis and evaluation of peer reviewed literature and medical care guidelines to determine a drug’s safety and efficacy. After this rigorous clinical evaluation, the committee weighs the financial implications of a drug compared to other similar drugs and selects appropriate Tier placement based on the drugs’ safety, efficacy and cost-effectiveness. Please note all drugs on the SmithRx Essential Formulary are subjected to periodic review and amendment. Please keep in mind when a generic medication is chosen, patients pay the lowest copay available under their pharmacy benefit plan. When clinically appropriate, please consider talking to your doctor about choosing a generic product.

The formulary does not guarantee coverage. Coverage will vary per your plan design. Please refer to your plan documents that you receive from your employer,or call SmithRx for more information.

If you have any questions about the SmithRx Essential Formulary, please call our dedicated customer service team at (844) 454-5201.
